

GENERAL HYGIENE AND PROFESSIONAL MAINTENANCE CATALOG

A WORD FROM MANAGEMENT

Dear partners,

You will discover through this catalog much more than a family business that has existed for more than 20 years but rather an unending desire to always surprise you by accentuating our development around our fundamentals: rigor, innovation and the desire to give you 100% satisfaction.

The first 20 years were those of discovery and consolidation of our skills. We dare to hope that the future will be even closer to you in order to share, exchange and develop together while ensuring a healthy future for our planet.

Our formidable team is already ready to face the challenges of today and tomorrow and rest assured, we feel strong to face them together, at your side.

Hope to meet you soon !

Your Hitam partner

WE ARE LOCATED HERE

OUR ENGAGEMENTS

CSR policy :

- **WE TAKE CARE OF OUR TEAMS**
 - Week adapted over 4 days
 - Monthly intervention from a wellness specialist
 - Optimization of workstations
- **WE PROMOTE EMPLOYMENT AND THE LOCAL AND NATIONAL ECONOMY**

Preference for short supply circuits

- Agreements with local employment partners
- Integration of people with disabilities
- Participation in local life through associative donations

Quality and environmental policy :

- **PRODUCT QUALITY AND CUSTOMER SATISFACTION**
 - Respect delivery times
 - Respect customer requirements
 - Achieve 100% customer satisfaction
 - Increase the number of innovative references
- **PRESERVATION OF THE ENVIRONMENT**
 - Upgrading of white strapping, cardboard and transparent plastic.
 - Constant development of our plant range
 - Certification of some of our products by the ECOCERT label
 - Taking into account in the development of some of our products, the safety of goods and people by promoting the use of raw materials of plant origin and without danger pictograms

MORE THAN A MANUFACTURER, A PARTNER !

"Your satisfaction, our priority"

A LABORATORY AT YOUR SERVICE

- Find and propose solutions to meet your needs
- Prototype and design of tailor-made products meeting your specifications
- INFODYNE: possibility of translating the MSDS into different languages
- Creation of MSDS in your name
- Support with regulatory obligations (PCN declaration)

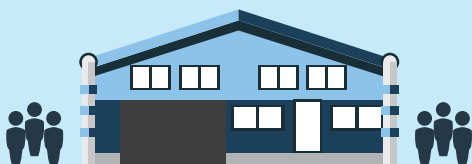

EXTRANET : **hiLink** Real-time monitoring

- Unique monitoring for our partners
- Simple and easy understanding of the site
- Technical sheet/MSDS available
- Allows free access to your:
 - Orders
 - Delivery notes
 - Invoices
 - Samples
 - Labels
- Non-compliance sheets available
- Price offer and current tariff
- Stock labels

COMMERCIAL SUPPORT AND LOGISTICS

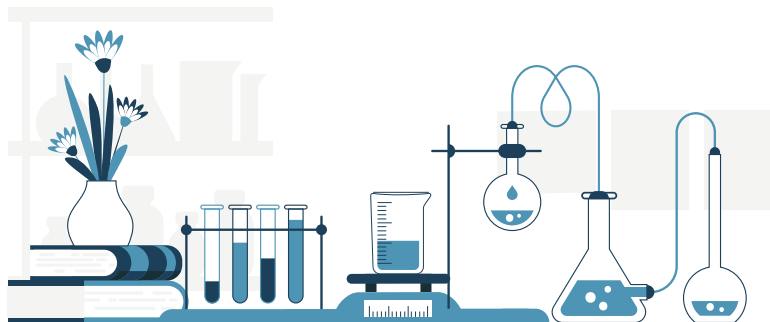

- Training your sales force
 - In seminar
 - On the field
- Adapted content suggestions
 - Arguments
 - Demonstrations
 - Videos
 - Creation of personalized catalogs
- Possibility of building up buffer stock on our site

PERSONALIZED PACKAGING

- Adaptation of labels according to your specifications
- Regulatory monitoring and surveillance
- Label control
- Marketing service available to create your labels
- Search for eco-responsible packaging solutions adapted to your specific needs

Research & development

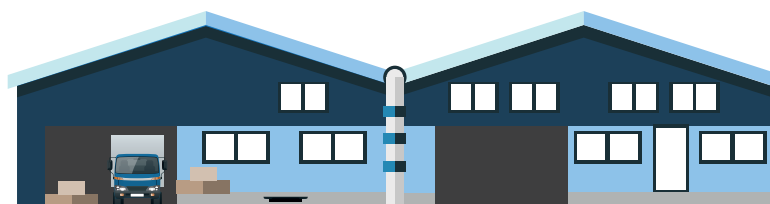

10% of Hitam's turnover is devoted to it

OUR GOALS

- Design and adapt our formulas to meet changing regulatory requirements.
- Development in average of three innovative solutions each year.
- Favor materials that are increasingly respectful of the environment, materials and the user.
- Transform consumption habits through the development of some of our products taking into account environmental issues:
 - The need for water
 - Preserving food crops through the use of castor bean and jojoba in some of our products
 - Reducing the carbon impact

OUR PATENTS

- Our castor and jojoba products
- Our absorbent technologies
- Our snow removal specialties and de-icing
- Our visual indicator systems
 - dosage
 - temperature
 - dilution
 - spreading
 - neutralization
 - protection
 - of security

**7000m²
DEPOSIT**

FACTORY, PRODUCTION AND LABORATORY TOOLS

MANUFACTURING TOOLS

• TANKS

- 2 OF 5000L,
- 1 OF 2000L
- 1 OF 1000L
- 1 OF 800L WITH HEATING ENVELOPE
- 1 OF 500L MOBILE

• POWDER BLENDERS

- 2000L
- 800L
- MANURHIN

PACKAGING TOOLS

• 5 AUTOMATIC CHANNELS

Acid, wipe box, wipe pouch, bulk and powder pouch

• 4 SEMI-AUTOMATIC CHAINS

Bulk and powder solution

• 3 mobile labelers

• 3 multi-product cans

NON-EXHAUSTIVE LIST

ALL OF THIS EQUIPMENT ALLOWS US TO BE VERSATILE WHILE ENSURING A LARGE VOLUME OF PRODUCTION UNDER THE CONTROL OF OUR LABORATORY.

LABORATORY TOOLS

- Viscosimeter: viscosity measurement
- Suntest: accelerated aging on artificial light (sunlight simulation)
- Colorimeter: measures color of a product
- Seta-flash: Flammability of a product
- Biodegradability measurement
- ...

OUR RANGES

hi'safe

"Protect yourself with ease"

Disinfection no longer holds any secrets for us, come and discover our Hi'safe brand which brings together a range of specialized products!

Cleaner, detergent, bactericide, virucide, fungicide, yeasticide for communities, food industry, care structures, hospitals, public transport, hairdressing salon, beauty salon, swimming pool, etc.

hi'moove

"Take care of your vehicles"

HITAM offers you a wide range of professional products for cleaning and maintaining your vehicles.

Rim cleaner, polish, waterless shampoo, plastic renovator, windshield washer and more!

hi'freeze

"Attack winter safely"

To prepare for winter, cold, snow and ice, discover our range dedicated to this season.

Hi'freeze brings together a wide range of snow removal, deicing, windshield and lock de-icing products, etc.

hi'sense

"For your olfactory comfort"

Are you looking for a product against bad odors? Come and discover our HI'SENSE range, it will offer you everything you need for all types of stubborn odors (tobacco, sanitary, kitchen, etc.). This entire range is dominated by formulas based on castor and jojoba.

hi'green

"Natural performance"

Our range of plant-based products to suit everyone

hi'pro

"Everything you need every day"

For every problem, a solution!

Discover our HI'PRO range and its wide choice of professional products. From pipe maintenance to graffiti cleaning and liquid absorbents, our complete professional range will meet your expectations.

OUR AREAS OF SKILLS

● PLANT CHEMISTRY

● CREAMS

● WIPES

● ACIDS

● SOLVENTS

● POWDERS

EU Regulation

Complies with the requirements of Commission Regulation (EC) No 2023/2006 of 22 December 2006 on good manufacturing practices for materials and articles intended to come into contact with food.

USA FOOD LAW (FDA)

2) CFR 178.3570 (Lubricants in accidental contact with food) - Can be used on agri-food equipment as rust protection film, as release agent on seals or seals of tank closures, and as a lubricant for machine parts or equipment in places where the lubricated part may be exposed to food. The addition to the food of this product should not exceed 10 parts per million.
